IV. Impact from the External Competitive Environment, the Regulatory Environment and the Overall Business Environment:

1. External Competitive Environment and Overall Business Environment:

With the rise of mainland China's panel industry, competition brought by South Korea, and mainland China government's active promotion of equipment localization, the Company's display business, which is the main source of business in the past, is facing an increasingly fierce competition. The Company will continue strengthening its own product technology and import advanced foreign technology to enhance its product level in order to get rid of the low-cost competition. On top of that, the Company will speed up the pace the expansion in semiconductor and smart production industry and new markets outside the mainland China. Concerning the changes in the industry and business environment, the Company will also respond in a quick, reliable and accurate manner and establish a diversified business layout and industry development goals.

2. Regulatory Environment:

Integrity is deep rooted in the Company's core culture. As a result, the Company has been complying with legal norms, honest, and self-disciplined in its business. In addition to collecting information concerning external regulatory changes at any time for the management's reference, the Company is establishing, reviewing, updating and adjusting its internal management and operational rules and regulations in order to actively respond to various changes in the regulatory environment.

3. Overall Business Environment:

Mainland China has been transforming from the world's factory to the world's largest consumer market. Labor shortage and soaring costs have become an irreversible trend in the world. Be-

sides, the need for industry automation is still growing. The Company has the application technology for cross-industry automation equipment. In recent years, the Company has been working with renowned customers around the world and has successfully integrated intelligent automation solutions into client's production processes. Therefore, the Company is confident in future development.

- Independent Auditors' Report and Individual Financial Statements

REPORT OF INDEPENDENT ACCOUNTANTS

To Gallant Precision Machining Co., Ltd.

Opinion

We have audited the accompanying parent company only financial statements of Gallant Precision Machining Co., Ltd. (the "Company"), which comprise the parent company only balance sheets as of December 31, 2017 and 2016, and the parent company only statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the parent company only financial statements, including a summary of significant accounting policies.

In our opinion, based on our audits and the reports of other independent accountants as described in the other matters section of our report, the accompanying parent company only financial statements present fairly, in all material respects, the parent company only financial position of the Company as of December 31, 2017 and 2016, and its parent company only financial performance and its parent company only cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and generally accepted auditing standards in the Republic of China ("ROC GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of Parent Company Only Financial Statements section of our report. We are independent of the Company in accordance with the Code of Professional Ethics for Certified Public Accountant of the Republic of China (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. Based on our audits and the reports of other independent accountants, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our

opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the parent company only financial statements of the current period. These matters were addressed in the context of our audit of the parent company only financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Key audit matters for the parent company only financial statements in the current period are stated as follow:

Evaluation of inventories

Description

Gallant Precision Machining Co., Ltd is primarily engaged in the manufacture and sale of flat panel display testing equipment, semiconductor assembly equipment, intelligent automated equipment, and related parts. Inventories are stated at the lower of cost and net realizable value and regarding the accounting policy on the evaluation of inventories are disclosed in Note 4(11) of the parent company only financial statements. The uncertainty of accounting estimations and assumptions for valuation of inventories are disclosed in Note 5(2) of the parent company only financial statements. As the amount of inventory is significant, and the estimation of net realizable value of inventories for exceeded specific age, and individually identified out of date or damaged inventories are subject to management's judgement, the evaluation of inventories has been identified a key audit matters.

How our audit addressed the matter

Our audit procedures performed for the above matter included the following: assessed the reasonableness of the policy of the allowance for inventory valuation loss. Tested the accuracy of inventory aging report, included tested whether the quantity and amount of inventory is consistent with inventory ledger and verify the accuracy of the inventory age classification. Assessed and confirmed the reasonableness in estimation of net realizable value and tested the reasonableness in accrual of the allowance for inventory valuation loss.

Cut-off of revenue recognition

Description

Gallant Precision Machining Co., Ltd. is primarily engaged in the manufacture and sale of flat panel display testing equipment, semiconductor assembly equipment, intelligent automated equipment, and related parts. Main revenue recognition is based on customer's confirmation for acceptance. Since the transferred timing of the risks and rewards of goods ownerships are subject to judgment and the result could affect sales revenue significantly in the parent company only financial statement. Thus, revenue recognition has been identified a key audit matter.

How our audit addressed the matter

Our audit procedures performed included the following:

Our audit procedures performed included assessed the appropriateness of the policy of sales revenue recognition. Assessed and tested the design and operating effectiveness of the key controls over sales revenue recognition. Sampled and tested the sales transactions included check customer purchase order, evidence of the goods risks and rewards have been transferred and issued bill. We also performed cut-off test on sales transactions for the period before and after the balance sheet date.

Other matter - Reference to the audits of other independent auditors

We did not audit the financial statements of certain investments accounted for under equity method. The financial statements of these investments accounted for under equity method were audited by other auditors whose reports thereon have been furnished to us and our opinion expressed herein, insofar as it relates to the amounts included in the financial statements is based solely on the reports of other auditors. The amount of investments accounted for using the equity method on the audit reports of the other independent accountants are NT66,761 thousand and NT189,608 thousand, constituting 1% and 3% of the total assets as of December 31, 2017 and 2016, respectively, and its share of the loss amounting to NT(122,847) thousand and NT(45,154) thousand, constituting (69.44%) and (25.15%) of the total comprehensive income for the years then ended, respectively.

Responsibilities of Management and Those Charged with Governance for the Parent Company Only Financial Statements

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including members of the Audit Committee) are responsible for overseeing the Company's financial reporting process.

Independent Accountant's Responsibilities for the Audit of the Parent Company Only Financial Statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ROC GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with ROC GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion . Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the disclosures, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation .
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion .

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the parent company only financial statements for the year ended December 31, 2017 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

- Independent Auditors' Report and Consolidated Financial Statements

To Gallant Precision Machining Co., Ltd.

Opinion

We have audited the accompanying consolidated balance sheets of Gallant Precision Machining Co., Ltd. and its subsidiaries (the "Group") as at December 31, 2017 and 2016, and the related consolidated statements of comprehensive income, of changes in equity and of cash flows for the years ended December 31, 2017 and 2016, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, based on our audits and the audit reports of the other independent accountants, as described in the other matters section of our report, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2017 and 2016, and its consolidated financial performance and its consolidated cash flows for the years ended December 31, 2017 and 2016, in accordance with the "Regulations Governing the Preparation of Financial Reports by Securities Issuers" and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission.

Basis for opinion

We conducted our audits in accordance with the "Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants" and generally accepted auditing standards in the Republic of China (ROC GAAS). Our responsibilities under those standards are further described in the section of Auditor's Responsibilities for the Audit of the Consolidated Financial Statements of our report. We are independent of the Group in accordance with the Codes of Professional Ethics for Certified Public Accountants in the Republic of China (the "Codes"), and we have fulfilled our other ethical responsibilities in accordance with the Code. Based on our audits and the audits report of the other independent accountants, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Key audit matters for the Group's consolidated financial statements in the current period are stated as follow:

Evaluation of inventories

Description

Gallant Precision Machining Co., Ltd. and its subsidiaries are primarily engaged in the manufacture and sale of flat panel display testing equipment, semiconductor assembly equipment, intelligent automated equipment, and related parts. Inventories are stated at the lower of cost and net realizable value and regarding the accounting policy on the evaluation of inventories are disclosed in Note 4(13) of the consolidated financial statements. The uncertainty of accounting estimations and assumptions for valuation of inventories are disclosed in Note 5(2) of the consolidated financial statements. The allowance for inventory valuation loss amounting to NT1,593,706 thousand and NT83,077 thousand as of December 31, 2017 and 2016, respectively are disclosed in Note 6(5) of the consolidated financial statements.

As the amount of inventory is significant, and the estimation of net realizable value of inventories for exceeded specific age, and individually identified out of date or damaged inventories are subject to management's judgement, the evaluation of inventories has been identified a key audit matters.

How our audit addressed the matter

Our audit procedures performed included the following:

Our audit procedures performed for the above matter included the following: assessed the reasonableness of the policy of the allowance for inventory valuation loss. Tested the accuracy of inventory aging report, included tested whether the quantity and amount of inventory is consistent with inventory ledger and verify the accuracy of the inventory age classification. Assessed and confirmed the reasonableness in estimation of net realizable value and tested the reasonableness in accrual of the allowance for inventory valuation loss.

Cut-off of revenue recognition

Description

Gallant Precision Machining Co., Ltd. and its subsidiaries are primarily engaged in the manufacture and sale of flat panel display testing equipment, semiconductor assembly equipment, intelligent automated equipment, and related parts. Main revenue recognition is based on customer's confirmation for acceptance. Since the transferred timing of the risks and rewards of goods ownerships are subject to judgment and the result could affect sales revenue significantly in the consolidated financial statement. Thus, revenue recognition has been identified a key audit matter.

How our audit addressed the matter

Our audit procedures performed included the following:

Our audit procedures performed included assessed the appropriateness of the policy of sales revenue recognition. Assessed and tested the design and operating effectiveness of the key controls over sales revenue recognition. Sampled and tested the sales transactions included check customer purchase order, evidence of the goods risks and rewards have been transferred and issued bill. We also performed cut-off test on sales transactions for the period before and after the balance sheet date.

Other matter - Reference to the audits of other independent auditors

We did not audit the financial statements of certain consolidated subsidiaries and investments accounted for under the equity method that are included in the consolidated financial statements. Total assets of the subsidiary amounted to NT\$0 thousand and NT\$2,901 thousand, constituting 0% and 0.05% of consolidated total assets as of December 31, 2017 and 2016, respectively and operating income was NT\$0 thousand and NT\$0 thousand, constituting 0% and 0% of consolidated total operating income for the years ended December 31, 2017 and 2016, respectively. The balance of investment accounted for under equity method was NT\$66,761 thousand and NT\$189,608 thousand, constituting 1.07% and 3.03% of consolidated total assets as of December 31, 2017 and 2016, respectively, and the share of profit (loss) of associates and joint ventures accounted for under equity method was NT(\$122,847) thousand and NT(\$59,216) thousand, constituting (59.69%) and (29.24%) of consolidated total comprehensive income for the years ended December 31, 2017 and 2016, respectively. Those financial statements and information disclosed in Note 13 were audited by other independent accountants whose reports thereon have been furnished to us, and our opinion expressed herein is based solely on the audit reports of the other independent accountants.

Other matter - Parent company only financial statements

We have audited and expressed an unqualified opinion on the parent company only financial statements of Gallant Precision Machining Co., Ltd. as of and for the years ended December 31, 2017 and 2016.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the “Regulations Governing the Preparation of Financial Reports by Securities Issuers” and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the Group’s financial reporting process.

Independent Accountant’s Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ROC GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ROC GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial state-

ments, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and

where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2016 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
